

New York State Health Insurance Program 2022 Rates

Check Your Plan – This is Your Only Notice of a Rate Change.

Please read this rate sheet carefully to find the rate that applies to you. There are different rates for different groups as a result of legislation and administrative agreements.

Not all Participating Employers (PE) use the contribution rates reflected in this flyer. If you have questions regarding whether any of these rates apply to you or what your NYSHIP rates will be for 2022, contact your former employer.

These rates reflect the monthly cost for NYS Thruway Authority retirees from April 1, 1991 forward. Rates for retirees do not reflect sick leave credits (see page 3 for more information on how sick leave credit impacts your premium).

To enroll in an HMO or to remain enrolled in your current HMO, you must live or work in the HMO's NYSHIP service area. Medicare-primary NYSHIP HMO enrollees will be enrolled in the HMO's Medicare Advantage Plan.
