# STEEL HAULERS OVERWEIGHT PERMIT APPLICATION

## Instructions and Additional Information

### - INSTRUCTIONS -

The New York State Thruway Authority (Authority) offers a Steel Haulers Permit in the Buffalo area. Any Steel Hauler with a valid New York State Department of Transportation Steel Haulers Permit is eligible providing all Authority requirements are met.

Steel Haulers Permits are sold annually commencing May 1 of the year acquired and ending April 30 of the following year. These same Permits will be available to late applicants on the nine, six and three month prorated basis.

### - REQUIREMENTS -

The following requirements and conditions must be met in order to obtain a Thruway Steel Haulers Permit exclusively in the Buffalo area:

Companies or individuals applying for the Steel Haulers Permit must:

1. Provide payment by either of the following:
  - (a) Thruway Charge Account (will be billed the appropriate fee).
  - (b) Check or money order (payable to "New York State Thruway Authority", U.S. funds only).
2. Submit the following documents:
  - (a) Steel Haulers Overweight Permit Application (TA-W68149) along with the appropriate fee.
  - (b) One copy of New York State Department of Transportation's current Steel Haulers Permit.
  - (c) Original Certificate of Liability Insurance (ACORD 25) and a NYSTA Supplemental Insurance Certificate (TA-W51343) (located at [www.thruway.ny.gov](http://www.thruway.ny.gov)).
3. Submit documents to:
 

NYS Thruway Authority  
Department of Maintenance and Operations  
Office of Traffic Management  
P.O. Box 189  
Albany, NY 12201-0189

### - SPECIAL RESTRICTIONS -

The following restrictions apply to New York State Thruway Steel Haulers Permits:

1. Valid only on the New York State Thruway between Interchange 49 and 56 including the Niagara Section to N17.
2. All other vehicle dimensions must meet legal requirements.
3. A Steel Haulers Permit **cannot** be used in conjunction with any other Thruway oversize program.
4. Approved power units with Steel Hauler Permits may carry lower CATEGORY loads without further approval, as long as the load is equal to or less than the MAXIMUM WEIGHT for that CATEGORY. Additional trailers will be accepted when listed on company's official letterhead and signed by an authorized company representative.
5. All vehicles using a Steel Haulers Permit must carry a copy of the approved application in the vehicle.
6. Suspension of the Thruway Charge Account or State Steel Haulers Permit will result in suspension of this Permit.
7. Any violation of these Permit restrictions will terminate the Permit and the vehicle will be subject to Special Hauling fees and overweight fines.

### - PERMIT COST -

<u>CATEGORY</u>	<u>MAXIMUM WEIGHT</u>	<u>FEE</u>
5 axles	100,000	\$350.00
6 axles	112,000	550.00
